## **Local Travel Expert Stacy Coggan Wins Top Producer Award at Jamaica Retreat**

*Travel Agent Specializes in Planning Destination Weddings*

**Hainesport, NJ (May 4, 2017)** – Cruise & Travel Experts recently gathered in Jamaica for their second annual member retreat focused on increasing their owners’ knowledge and improving their travel businesses. The five-day retreat was held at a GOGO Worldwide Vacations Resort in Montego Bay, Jamaica.

During the retreat, three members received a 2016 top revenue producer award. One of the coveted top sales winner awards was given to Stacy Coggan of Vacations by Stacy in Hainesport, New Jersey. Stacy has over seven years of experience in the travel industry and specializes in planning destination weddings.

“I am excited I have won a top sales award from Cruise & Travel Experts,” said Stacy Coggan. “I love being a travel agent and building new relationships so I can really understand my clients. And when they tell a friend about the great experience they had with me, it is the highest compliment when their friends and family to reach out to me.”

Earlier in her career, Stacy was working as a wedding and event planner and realized that she wanted to continue her relationships with the couples she met after the vows were exchanged. She’s always loved to travel, so she bought a travel agency and never looked back. She gets to know her clients intimately and works with them again and again.

Stacy not only handles the travel planning for her destination wedding clients. She also does the pre-wedding planning and the onsite management for her wedding couples and their groups. She has escorted dozens of wedding parties to Mexico, Jamaica, the Dominican Republic – all over the Caribbean and has

sailed on over 25 cruises and stayed at over 150 all-inclusive resorts. Stacy is also a Romance Travel Specialist with the ENSEMBLE Destination Vows program.

The conference Stacy attended offered its members a mix of training on Cruise & Travel Experts technology and programs, eight local property visits, and several private dinners and networking events.

The travel agents toured a variety of beautiful properties in the Montego Bay area including Hyatt Zilara, Hyatt Ziva, Secrets St. James and Secrets Wild Orchid, Breathless Montego Bay Resort & Spa, Sunscape Cove and Sunscape Splash and Zoetry. The group also got to see Jamaica's natural beauty and rugged interior and learn more about Jamaican life in a Chukka Jeep tour. The retreat concluded with a special farewell dinner featuring Jamaican style food and entertainment.
